

## Me and the Devil

Cowboy Junkies

Early this morning, he knocked on my door  
Early this morning he knocked on my door  
I said ''Hello, Satan, I believe it's time to go''

Me and The Devil are walkin' side by side  
Me and The Devil are walkin' side by side  
Well, I'm goin' to beat my man until I get satisfied

He says I don't do him right  
That I dog him around  
Well, babe, you know you ain't treating me right  
He says I don't do him right  
that I dog him around  
Well, it must be this old evil spirit  
So deep down within the ground

You may bury my body down by the highway side  
...oh, babe I don't care what you do with my body  
You may bury my body down by the highway side  
So my old evil spirit can catch a Greyhound bus and ride

Early this morning, he knocked on my door  
Now me and The Devil are walking side by side  
Side by side
