

Now I Know

Cowboy Junkies

Now I know, now I know what it means to be broken
Now I know, now I know what it means to be bared
You in the chair perceptibly sinking
I'm on my knees once again made aware
of the world out there
Grief is a word to describe the absense of feeling
Now I know, now I know what it means to be broken

Now I know, now I know,
now I know what it means to be broken
Now I know, now I know,
now I know what it means to be bared
You in the chair systematically sinking
I'm on my knees once again made aware
of the world out there
Grief is a word to describe the absense of feeling
Now I know, now I know,
Now I know what it means to be broken
