

Supernatural

Cowboy Junkies

Built a king on compliments
Charisma and advertisements
Still they see him shimmer ephemeral
It ain't supernatural, no

It ain't supernatural
Supernatural, baby

An out of body experience
I flew around the hospital room once
On intravenous Demerol
It was supernatural, no

It was supernatural
Supernatural maybe

Sudden smell, a certain view
Sparks a whoppin' case of the déjà vu
Is it inexplicable? It ain't supernatural, no, no
It ain't

Supernatural
Supernatural, baby
