

## We Hovered with Short Wings

Cowboy Junkies

We hovered with short wings  
Over the hillock crest  
A breath-like ...  
Glowing, showing bones

Glowing, showing bones

With much bellowing and rowing  
A change of directioning let you out  
Deaf and loud  
Let you out

A hungry, hungry awful hunter  
A breath, his came asunder  
(The old dog makes padded cake)  
As the aged come for me  
As the aged come for me
