

## Allergic To Myself

Cows

He was my friend, but what the fuck?  
I slapped him down cuz it was fun.  
I stole his girl, I knocked her up,  
I had my fun.

I'm allergic to myself

She kept the kid, went on the dole,  
I took her checks, I spent it all.  
Went in my lungs and up my nose,  
She loves me so.

I'm allergic to myself

And now the kid's a fucking brat,  
Just like his dad a fucking rat.  
He hates his mom, he thinks I'm great.  
What can I say?

I'm allergic to myself

It cracks me up, it makes me scratch.  
He's still my friend, she's always back.  
I'm allergic to myself.  
To myself.
