

## Camouflage Monkey

Cows

Tyrannosaurus in the muck  
Gone extinct, don't give a fuck

Camouflage monkey  
Hide behind the trees  
Camouflage monkey  
Don't you bite the hand that feeds

Shoot the commies  
Burn the chinks  
He knows where to stick his dick

Camouflage monkey  
Hide behind the trees  
Camouflage monkey  
Don't you bite the hand that feeds
