

Contamination

Cows

Give it up, you're never gonna make it Don't even try You think
it doesn't matter Cuz you're a nice guy

Load up the barrel Roll up the apparel Yeah come up and make bo
mbs away Your McAlienation is contamination It's contamination
to me

Talk it up It's a piece of fucking genius But it don't apply

Your pointy shoed science is just an appliance For all you to s
ay "no" to me But it's all one plantation It's contamination It
's a contamination to me

Pat my back First you call me "buddy" Then you attack But you'r
e still bored With a pocket full of nothing That's just the fac
ts

Load up the barrel Roll up the apparel Yeah come up and make bo
mbs away Your McAlienation is contamination It's contamination
to me

Hide your eyes Pretend it doesn't happen It might go away Laugh
it up You can call 'em hicks and rednecks But you're gonna pay

Your pointy shoed science is just an appliance For all you to s
ay "no" to me But it's all one plantation It's contamination It
's a contamination to me
