

## Part My Konk

Cows

Won't you please come back to me  
Back to eastern Tennessee  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now

I'll keep you in luxuries  
If you will stay home with me  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now

Throw your shit back in the truck  
Go or stay, I won't give up  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now

Won't you please come back with me  
Down to eastern Tennessee  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now

I will not tell you my plans  
I'll be back, you won't know when  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now
