(Break it down, break it down, let me break it down Break it down) I was checking this girl next door When her parents went out She phoned said, "hey boy, come on right around" So I knock at the door You was standin' with a bottle of red wine, ready to pour Dressed in long black satin and lace to the floor So I went in, then we sat down start kissing, caressing Told me about jacuzzi, sounded interesting So we jumped right in All calls diverted to answer phone Please leave a message after the tone I mean me and her parents were kind of cool But they ran a fine line between me and you We were just doing things young people in love do Parents tryna find out what we were up to Say, parents tryna find out what we were up to Oh yeah Saying, fill me in Why were you creeping round Why were you creeping round late last night Can you fill me in Why were you creeping round Why were you creeping round late last night Can you fill me in Why were you creeping round Why were you creeping round late last night Can you fill me in Why were you creeping round Why were you creeping round late last night Its best at sixteen, it's sick with sixteen I been doing doing this since I was sixteen Been a few years, let's call it sixteen A brand new flow for two thousand sixteen Its best at sixteen, it's sick with sixteen I been doing doing this since I was sixteen Been a few years, let's call it sixteen A brand new flow for two thousand sixteen Seems like I'm living a dream Nineteen ninety nine when I first came on the scene Whenever the coast was clear and she'd ask me to come out I'd say, "hey girl, come on right around" So she knocked at the door I was standing with the keys in my hand to the 4x4Jumped in my ride, checkin' that nobody saw The club we went in We got down bounced bounced to the rhythm Saw it was early morning Thought we'd better be leavin' So I gave you my jacket for you to hold Told you to wear it cause you felt cold I mean me and her didn't mean to break the rules
