

Lovers Lullaby

Craig Morgan

If I had my way
Every road woulda been the right one
Every burden been a light one
Every chance the one to take

If I had my way
I'd found every thing I been miss
I wouldn't have a need for wishin
I would wont for better days

But if I had my way
I never would have learned, the lessons of a struggle
Or the blessings in the hurt
I would have lost the moment when you find a little faith

God knows where I'd be, if I had my way

If I had my way
I'd never touched a bottle
Never found that a couple swollows
Could numb most anything
If I had my way
I'd never let a love leave
Never felt a pain so deep
Never cried so many tears

But if I had my way
I never would have known
There's a strength in admitting
That you can't let go
I would have lost the moment
When you find a little faith

God knows where I'd be
If I had my way

Ohh
If I had my way
I never would've believed
That you can get through anything
When your down on your knees
I wouldn have lost a moment, when I found a little faith

Oh god knows where I'd be if I had my way
Gods knows hwere I'd be if I had my way.
