

# Gimme What I Need

Crashdiet

We're climbing high to reach the top  
we're walkin' miles to see you stand there  
with the goods we want  
Tonite...Tonite!

Oh the blood is running hot,  
everything is changing  
Shapes and visions,  
the mind explodin' blazin'

All rite, All rite!  
You gimme what I need yeah!  
Tonite, Tonite!  
Oh baby!  
All rite, All rite!  
You gimme what I need!

Rely on everything that's wikked  
coz the circus time is pleased  
well in the jungle of solid concrete  
the crash is peace...

Chaos in chaos,  
explodin' brain decease  
Traces in faces,  
transformed into the sea

All rite, All rite!  
You gimme what I need yeah!  
Tonite, Tonite!  
Oh baby!  
All rite, All rite!  
You gimme what I need!

Reflections directions,  
oh god a horrible snowman  
It's flippin' I'm trippin',  
nowhere is where oh where!

All rite, All rite!  
You gimme what I need yeah!  
Tonite, Tonite!  
Oh baby!

All rite, All rite!  
You gimme what I need yeah!  
Tonite, Tonite!  
Oh baby!

All rite, All rite!  
You gimme what I need yeah!  
Tonite, Tonite!  
Oh baby!

All rite, All rite!  
You gimme what I need yeah!  
Tonite, Tonite!

Oh baby!  
YEAH!
