

# We're Going Wrong

Cream

Please open your eyes,  
Try to realise.  
I found out today we're going wrong,  
We're going wrong.

Please open your mind,  
See what you can find.  
I found out today we're going wrong,  
We're going wrong.

We're going wrong,  
We're going wrong,  
We're going wrong.
