## Reincarnation

Crematory

He is coming back... Another body another face but same soul His former life is filling up with hate and pain Many people dying through his hands Uponing to tortured

Uponing to tortured And agonized with blood The calling was to the dead ones always ahead

After the death given a new life The punishment you taken for mistakes His old corpse is rotting away And smelling decomposed

Reincarnation - A new life Reincarnation - The same way

His old corpse is rotting and decomposed The punishment for mistakes is painful Imprisoned in a deformity body The deliverance out of this life Is-the-death-imprisoned-deliverance-the punishment

His old corpse is rotting and decomposed The punishment for mistakes is painful Imprisoned in a deformity body The deliverance out of this life Is-the-death-imprisoned-deliverance-the punishment
