

Twisted

Crime

When I run around--

Baby, I'm after your love
When you're walkin' through

I am feelin' twisted
I am sick and twisted

I'm gonna take your love
I'm gonna take a stand
I don't really care
Baby when your underground

I am feelin' twisted
Well baby, I'm feelin' twisted

When I walk the streets
In a special place
I don't really care
What you say or wear

I am feelin' twisted
Well baby, I guess I'm twisted
