

# I'm Sorry

## Criminal Collection

I'm in the room, where I'm trying to fall asleep  
But I can't pick up the pieces, that you wanted to keep  
I know that I was wrong, but I can't get better

I'm troubled cause of my nightmares every night  
And I can't get your beauty off my mind  
I didn't appreciate you, but now it doesn't matter

I need to tell you, that's what I never really wanted  
I know it's too late to tell you that I'm really ashamed

I'm sorry, baby!  
I don't wanna lie  
I don't wanna hurt you  
I would rather die  
I'm sorry, baby!  
Please, don't be so cruel  
I know I've betrayed you  
And I feel like a complete fool

I wasn't ready to tell you what's on my mind  
I wasn't sure if I'd love you even if I was blind  
Your beauty smothered me and made me choke

Maybe you think that I was playing some stupid game  
I'm sorry for the love that never came  
I want you to know I've never felt so alone

I need to tell you, that's what I never really wanted  
I know it's too late to tell you that I'm really ashamed

I'm sorry, baby!  
I don't wanna lie  
I don't wanna hurt you  
I would rather die  
I'm sorry, baby!  
Please, don't be so cruel  
I know I've betrayed you  
And I feel like a complete fool

I'm sorry!  
I'm sorry!  
I'm sorry!  
I'm sorry!

I'm sorry, baby!  
I don't wanna lie  
I don't wanna hurt you  
I would rather die  
I'm sorry, baby!  
Please, don't be so cruel  
I know I've betrayed you  
And I feel like a fool

I'm sorry, baby!  
I don't wanna lie  
I don't wanna hurt you

I would rather die  
I'm sorry, baby!  
Please, don't be so cruel  
I know I've betrayed you  
And I feel like a complete fool
