

## My Friend

Crimpshrine

I grew up sheltered and innocent  
Found LSD as an escape from stress  
Only knew where I was coming from  
Didn't care where I was going or what I'd become

14 years old, full of LSD  
Cuz that's what I wanted to be  
It was always so much fun  
Freedom to do whatever I chose  
Freedom to dose and dose and dose  
In a park, frying under the sun

Those times are gone  
Those times will never be gone

Guess I missed a lot of growing up  
And now I'm just catching up  
But sometimes when things get too much to deal with  
I wish I could blow off the world  
Like I did when I was younger

18 years old, I don't feel as free  
I miss the way things used to be  
But I know it wasn't always that much fun  
It's too easy to rationalize  
And start believing your own lies  
And now I know that's what I've done

Those times are gone  
Don't know why that I try to hold

Those times will never be gone
