

"The spirit of the Lord is over me for he has anointed me
so I can speak the message of joy"
Praise be thy name, O Lord, you who save those who receive you

Save us, O Lord, from this despair
Come soon and bring us home

You bring them from death to life and call them your children
Thanks Almighty God for your grace
Praise be thy name, O Lord, you who save those who receive you

Save us, O Lord, from this despair
Come soon and bring us home
