As the story of my life
Zooms out of my mind
[Female] Don't give up
I've come to realize
Mmm... we're just a million kinds
[Female] Don't give up
Pieces of dust
Lost souls in the wind
[Female] Don't give up
Do our lifetimes end
Mmm... before they begin?
[Female] Don't give up
And throughout the world I've traveled
In the blink of an eye
[Female] Don't give up
[Robot] Supernatural, Biomechanical,
Mystikal, Magickal [Female] Don't give up
Try to control myself facing the demons
Before they control me
[Female] Don't give up
... Before they control me
... Before they control me

Are you ready to...
Are you ready to...
[Robot] Are you ready to go
Into Amystika
Into Amystika
Are you ready to...
Are you ready to...
[Robot] Are you ready to go
Into Amystika
Into Amystika

Into Amystika

Mmmmm... yeah, the reason I live
Is the reason I die
It's really not fair
[Female] Don't give up
[Robot] Supernatural, Biomechanical, Mystikal, Magickal
[Female] Don't give up
Try to control myself facing the demons
Before they control me
[Female] Don't give up
... Before they control me
... Before they control me

Are you ready to...
Are you ready to...
[Robot] Are you ready to go

Into Amystika
Into Amystika
Are you ready to...
Are you ready to...
[Robot] Are you ready to go
Into Amystika
Into Amystika
Into Amystika

Are you ready to...
Are you ready to...
[Robot] Are you ready to go
Into Amystika
Into Amystika
Are you ready to...
Are you ready to...
[Robot] Are you ready to go
Into Amystika
Into Amystika

Are you ready to...
Are you ready to...
[Robot] Are you ready to go
Into Amystika
Into Amystika
Are you ready to...
Are you ready to...
[Robot] Are you ready to go
Into Amystika
Into Amystika

Into Amystika
Into Amystika
Into Amystika

Are you ready?
