Crossbreed

You can't think for yourself You're falling in You fell out of lies, you... You - beg - for - this You said it yourself You're been falling in You ran out of line, you... You - beg - for - this No time for lie Still time for killing this Fall in, fall in, fall in You - beg - for - this No time for lie Still time for killing this Fall in, fall in, fall in You - beg - for - this When I said You're falling in You fell out of lie, you... You - beg - for - this You said it yourself You're falling in You ran out of line, you... You - beg - for - this No time for lie Still time for killing this Fall in, fall in, fall in You - beg - for - this No time for lie Still time for killing this Fall in, fall in, fall in You - beg - for - this Beg Beg Beg Beq Beg - for - this No time for lies Beg No time for lies Beq No time for lies Beg Beg - for - this
