Nothing

I can't describe what you're feeling  
Somehow you keep me from falling  
Your mind is so gone that you created  
Your world that keeps me from falling

It makes no sense to me  
It makes no sense to me  
No one tried to run  
No one tries to see  
And in this dark world I am blind  
You're slowly falling from me

When all else fails, I am done falling  
Falling, falling  
Feels so numb, I'm close to nothing
