

# Conquering

Crowbar

Twisting All That I'm saying and doing  
Abandonment  
Burning even in pleasure  
I'm burning  
Melting away  
Impact  
Taking the impact  
Look back  
Take time to look back  
Die in my own way

Conquering  
In time I'm conquering

Growing  
The urging and needing are growing  
Rotting in me  
Over  
It's happening over and over  
Die in my own way
