

# No Rival

Crowder

He is justice  
He is mercy  
He is spotless  
Yet carried me dirty

He is jealous and gracious  
Pursuant and patient  
Always been brutally kind  
He is gentle  
But you can't tame Him

There is no one (no one)  
No one (no one)  
No one like Jesus  
He has (He has)  
He has (He has)  
No rival  
No one (no one)  
No one (no one)  
No one like Jesus  
He has (He has)  
He has (He has)  
No equal

He's a king  
He's a servant  
Voice of thunder  
I hear Him whisper

He gives beauty for ashes  
Gave His life in compassion  
Always, we've been on His mind  
He was buried  
But hell couldn't hold Him

There is no one (no one)  
No one (no one)  
No one like Jesus  
He has (He has)  
He has (He has)  
No rival  
No one (no one)  
No one (no one)  
No one like Jesus  
He has (He has)  
He has (He has)  
No equal

My whole life, I heard 'em say  
You ain't ever gonna make it boy  
Stop, replay  
Them kinda words  
Change the way I pray  
No more "God is good,  
God is great"  
I been down before  
I mean real low

But don't judge my past  
We all friends though  
Forgiveness was the key I was missin' bro  
But my God is big, Jericho  
So I stand with my fist held high  
And my eyes gazed on the Most High  
Lord, pour out Your love and Your glory  
I know You supporting me, You the authority  
I'm right where I'm supposed to be  
You have a plan for me  
Hope and a future  
You said it so candidly  
So as day after day goes by  
When y'all ask me to testify  
I point my hands to the sky  
My God

There is no one (no one)  
No one (no one) (I point my hands to the sky)  
No one like Jesus (My God)  
He has (He has)  
He has (He has)  
No rival (no rival)  
No one (no one) (no one like)  
No one (no one) (no one like)  
No one like Jesus  
He has (He has)  
He has (He has) (He has me)  
No equal (my God, my God, my God)
