

Rock Me Like the Devil

Crucified Barbara

I don't wanna be with the one who's causing all this trouble
But I can not really help myself
No I can't fake it, 'cause when you walk in through the door
I get all messed up, yeah I loose it

Everytime you touch me, I shiver to the bone
As a part of the game, that you can't play alone

Rock me like the devil
Whip your tail and turn me on
You turn me to eleven
Leave me burning when you're done

I wish I never heard about the ones you call adventures
I guess I'm part of those
But I can't help it, 'cause when you're playing
With my mind
I gotta have you, there's no other

Everytime you touch me, I shiver to the bone
As a part of the game, that you can't play alone

Rock me like the devil
Whip your tail and turn me on
You turn me to eleven
Leave me burning when you're done
Rock me like the devil
