```
Pressure - I'm under pressure
Like 24/7 - out on the run
Closer - I'm getting closer
Feels like - hard won
```

Lover - please don't you tease me Need some time to get back on my feet Poser - get out of my way Ran high - white heat

Why don't you call Dr. Hell No Call Dr. Hell No Why don't you call Dr. Hell No Call Dr. Hell No Call Dr. Hell No

Never - not gonna lose it I'll never give up my independence Over - it's over and out Past life - new chance
