

## Dusty Deadly

Crystal Ball

Buenos Dias

Death, pain - all around, a bloody nation  
Ice, cold - burial ground, perfect for vacation

And when the devil's rising  
The angel's compromising  
All in, full risk, your lust  
Now it's boom or bust

They're flying, they're dying  
Completely terrifying  
This homeland dusty deadly  
La vida loca

L, Z, La Familia - don't care about you  
Drugs, crime, borderline, kill for gang or tattoo

They're flying, they're dying  
Completely terrifying  
This homeland dusty deadly  
La vida loca  
Adios

They're flying, they're dying  
Completely terrifying  
This homeland dusty deadly  
La vida loca  
Adios, adios

They're flying, they're dying  
Completely terrifying  
This homeland dusty deadly  
La vida loca
