

Be With Him

Crystal Lewis

But Jesus comes to me
while I watch and wait
and long for peace
He is always there
It's where I belong for the road I'm on is long

Be with Him
I'll be with Him until the day I die
Be with Him
I'll be with Him untill the day I die

And Jesus comes to me
He's my everything
He's all I need
and His voice I hear
He's opened up my eyes
It's clear the reason why

Be with Him
I'll be with Him until the day I die
Be with Him
I'll be with Him untill the day I die

And on the day I die Jesus comes to lead me on
Taking me home with Him
Where I'll be with Him, be with Him, be with Him
Forever
I'll always be with Him
Be with Him always
Forever

Be with Him
I'll be with Him until the day I die
Be with Him
I'll be with Him untill the day I die
