Hear my cry oh God Listen to my prayer From the end of the earth I cry out to you Lead me to The might rock That is higher than I Lead me to The might rock That is higher than I Let me dwell in your tent I shall live forever Oh to be safe underneath The shelter of your wings Lead me to The might rock That is higher than I Lead me to The might rock That is higher than I I sing in the shadow of your wings My soul thirsts for you In a dry and weary land Where water can't be found Your love is better than life
