

# It's Heaven

Crystal Lewis

Brian Ray

I am lost without you  
I lose my way when you're not near  
I am cold when I'm alone  
I sometimes forget just who I am  
I am borrowed I am bruised  
When I'm broken then I'm used  
I have strength and I have Peace  
I've traded fire for my fear  
The hope of heaven's always near

It's only human  
When I fall I feel I can't go on  
It's only heaven now  
That carries me and takes me over  
Your lifted voice has carried  
Your words have burned and scarred my heart  
You find in me what no one sees  
You have shown me life's complete  
I am human but I've grace  
As I fall I see your face  
Then I sing of you and look to you  
I am blessed for when I fear  
The hope of heaven's always near

I have taken your oath  
And you preserve my life  
Your words have covered me
