

Among The Blade

Crystal Tears

The time has come for me to be reborn again
i am a stranger to myself i cry
a thousand lives i lived and now i will regain
forgotten powers from forgotten times

awakening of a giant
awakening of a storm
i'm burning inside my soul

the times i am reborn another life is gone
lord i knew the answer tell me why
i've traveled far and wide i've turned my heart to stone
to find the truth i'm cursed for all time

awakening of a giant...

i am immortal
i'm trapped inside myself
come help me now
break goddamn spells
when i start my battle
don't dare stand in my way
i was born to walk
among the blade

after chorus:
thunder and lightning
show me the way
come set me free save my soul

i start realize now how hard it is
i start realize all the game
it is a part of my stolen dreams
it is a part of my fate

after chorus:
thunder and lightning...

solo

chorus ii:
here is my power
and here is my rage
come feel them now
taste my revenge
i will devour
see wrath in my face
i was born to walk
among the blade

chorus i:
i am immortal...
