

# Into Warfield

Crystal Tears

Nuclear power is ready to strike  
heading to conquer the world  
killing for money to enhance their pride  
people and lands cheaply sold

deaths in vain! - deaths in vain  
tears of pain! - tears of pain  
war for fame! - lands for sale

they rule nations they rule all mankind  
money is their lord  
midnight bombs turn the dark into light  
for glory all is sold

into warfield! - troops are marching on and on  
into warfield! - and the battle rages on  
into warfield! - now we stand and wander into warfield  
into warfield strong and weak always die  
no exceptions 'till the end!  
Into warfield all mankind

with their lies they overwhelm us - into warfield!  
They are smashing our souls - into warfield!  
Have no values have no virtues - into warfield!  
Nude we stand into warfield

war without mercy deaths in a row  
cryings are piercing the air  
dismembered bodies and homeless kids show  
that wars a
