We hold the power we never lose control denim and leather's what we're fighting for

we hold the secret
that keeps the flame alive
metal for muthas no regrets tonight

'cause we 'll march and change world tonight and we will conquer stars my friend our fists full of steel awaiting the thrill tonight we are all thunderstorm

the beast is inside craves for speed wants to strike it has so much strength to reveal hell no we won't stop 'till we win all this fight hell yes they 'll see nightmares come real

oh...

i'm sure they 'll feel
i'm sure they 'll feel our thunderstorm
thunderstorm...

hey metal we claim a thunder race yes we give flesh and bones revenge we take you pay

metal we claim
we will prevail
yes we devote our souls
we are...
