

Tomorrow Never Comes

Crystal Viper

This is my sacred home, what are you doing here?
You weren't invited, what are you gonna do?
Why did you come?
Will you destroy my home? What is your purpose?
Oh, you need to leave now, you should not be here
Who are you?

My ground, my home, my land
Stay away
Stop it, leave now, go back
Get away
My ground, my home, my land
Now it's too late
I will protect my land

I was here before you, and I want to stay here
You cannot return home, you give me no choice
It is too late
Because others will come and my home will be gone
Let it be a warning, I will never leave
You will die

My ground, my home, my land
Stay away
Stop it, leave now, go back
Get away
My ground, my home, my land
Now it's too late
I will protect my land

Oh-oh-oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh-oh-oh

My ground, my home, my land
Stay away
Stop it, leave now, go back
Get away
My ground, my home, my land
Stay away
Stop it, leave now, go back
Now it's too late
I will protect my land
