

Cloak and Dagger

Crystallion

"The shores, dear Sir"
Much too long I had to wait for this moment.
They say that I did usurp the crown.
But I found it in the gutter and I picked up it with my sword.
And it was the people who put it on my head.
They will pay for their treason and their lies.
I have returned to retrieve what is mine, what I was born for.
And I will lead France to new Glory!
