# Hatesong

**Cubanate**

sometimes when the night falls
I need "the noise"
I wanna burn it down
sometimes I wanna start again
I wanna tear it down
I wanna burn it down

you're guilty

sing it hatesong
give it to me
give it to me
sing it hatesong
make it mine
make it mine

cause lifes short and then you die
I'm gonna cheat
I'm gonna try to beat you
and never again
never again
never again
to let you call the shots

sing it hatesong
give it to me
give it to me
sing it hatesong
