

Kill or Cure

Cubamate

Kill or cure kill or cure I've made my choice what's yours?
Kill or cure kill or cure I've made my decision
Buy a dog comb your hair clean your car fuck your wife
I don't care I don't care I've made my choice what's yours?
Kill or cure kill or cure I've made my choice what's yours?
Buy a dog comb your hair fuck your wife clean your car
Fuck your dog comb your car clean your wife I don't care who are you?
Kill or cure kill or cure I've made my choice what's yours?
Kill or cure kill or cure I've made my decision what's yours?
On your knees lap it up be a good boy pull your sleeves up
On your knees lap it up be a good boy pull your sleeves up
On your knees lap it up be a good boy pull your sleeves up
On your knees lap it up be a good boy pull your sleeves up
Hey fat boy hey fat boy I don't think I like you I don't think I like you
I don't care kill or cure I've made my choice what's yours?
Kill or cure twist or fuck I've made my decision what's yours?
Who are you? I don't think I like you
I don't care kill or cure I've made my choice what's yours?
Kill or cure twist or fuck I've made my decision
What the fuck is yours? What the fuck is yours?
Hey fat boy who are you? Hey fat boy who are you?
