Fool for You

Curtis Mayfield

Never liked nobody That's been mean to me I've got a heart full of stone And I hate the misery Then you came along Into my life Destroying my mind Mounting up the toil and strife But I'm a fool for you I'm a fool for you But I'm a fool for you I'm a fool for you Guess I'll always be And I claim it famously 'Cause I'm a fool for you It's a doggone shame Knowin' you don't love me You go on and use me So continuously I don't know why I love you like I do When you're breaking my heart And you know it's true But I'm a fool for you I'm a fool for you But I'm a fool for you I'm a fool for you Doggin' me every day But child, I'm here to stay 'Cause I'm a fool for you You don't want me to stay But I'm a fool for you Do me wrong now every day Child, I'm a fool for you Ah-ha-ha-hoo I'm a fool for you
