

# Give Me Your Love

Curtis Mayfield

Give me your love  
Give me your love  
Give me your love  
Give me your love  
Give me your love

I want you so baby  
Can't even get mad at you  
What a thing  
You really swing  
And I feel so good it's true  
You're such a gun  
Make my lungs sigh  
Breathin' in the air  
Through lovin' you  
I really know, child  
Just how much I care  
Give me your love

Give me your love  
Give me your love  
Give me your love  
Give me your love  
Give me your love

Preparing for tomorrow  
You do what you have to do  
I'll share the weight  
Whatever fate  
Plans to bring to you  
Don't worry 'bout no attitude  
You just be yourself  
Could live with you  
In solitude  
And need no one else

Give me your love  
Give me your love  
Give me your love, love  
Give me your love  
Give me, give me
