

# Now You're Gone

Curtis Mayfield

Now you're gone  
Now you're gone  
You hurt me bad I'm all too sad I didn't know I love you so  
Now you're gone  
You had a plan another man went off to hide I could have died  
Now you're gone  
What should I do my world is blue it isn't true my life is thro  
ugh  
Now you're gone  
I want you back how do I act to make contact and get respect  
Now you're gone  
[?]  
Now you're gone

And I never loved nobody  
Who's been mean to me  
I got a heart full of stone  
And I hate the misery  
And then you, and then you, and then you, and then you came alo  
ng  
Destroy [?] and now you're gone, now you're gone

What should I do my world is blue it isn't true my life is thro  
ugh  
You had a plan another man went off to hide I could have died  
I want you back how do I act to make contact and get respect  
You hurt me bad I'm all too sad I didn't know I love you so  
And now you're gone, now you're gone
