

# Woman's Got Soul

Curtis Mayfield

She may not be the best lookin' woman  
I ever did see  
Nor have the charms of the ladies  
Of high society

But the woman's got soul  
Worth all money and gold  
And all the love that I have belongs  
To the woman with soul

Now I'm just a regular fellow  
I don't need much  
I don't need a Cadillac car  
Or diamonds and such

But the woman that I hold  
She's got to have soul  
And then I'm richer than the richest gold  
If the woman's got soul

Well, I don't need a woman  
That's got a whole lot of class  
Because class in a woman  
Don't mean she's gonna last

I need a kind of woman  
That when I hold, she fits up tight, yeah  
Oh, and when she throws it on me  
I give in without a fight

Then I know the woman's got soul  
Worth all money and gold  
And then I'm richer than the richest gold  
If the woman's got soul

If the woman's got soul  
If the woman's got soul  
If the woman's got soul
