I watch the sun go down and up again and think of you.
You're just too busy seeing red when all I see is blue.
I'm sorry, baby, for what I did to you.
I'm sorry, baby.
I'm sorry, baby.

I don't wanna hear a love song.
I don't wanna hear a love song.

I watch the sun go down and up again and think of you.
You're just too busy seeing red when all I see is blue.
I'm sorry, baby, for what I did to you.
I'm sorry, baby.
I'm sorry, baby.

I'm in the night and faint so long I'm thought as lost and gone
.
So, just speed up, slow down,
it's time to go and this I know.
