

Where I'm Going

Cut Copy

Take my hand if you know what I'm going through
Take my hand if you know where I'm going

You know ow
You know ow

All you need is a dream and a lover too
All you need is a dream and a lover

Take my hand 'cause I know what you're going through
After the time I haven't known where you're going

You know ow
You know ow

It's my dream that you've chosen if you wanna to
It's a turning cause your if you wanna

You know ow
You know ow

I set me free
But I with hands of dreams
I know fresh down the sea
To wonder will agree
