

Happy As Can Be

Cut Off Your Hands

Last night I told a thousand lies to you
Into your eyes I swore that I loved you
It's getting harder girl that you may see
That i'm the one for you and you for me

Feels so good these days
Where happiness can be
Glad i found you and your mine
We'll be fine i'm sure
If we can just ignore it
Glad I found you and your mine
And your mine
And your mine

I never really told the truth, so please
Don't get upset or try to change for me
I'm sorry if it hurts but babe, it's true
Girl if it helps I'll say that I love you

Feels so good these days
Where happiness can be
Glad i found you and your mine
We'll be fine i'm sure
If we can just ignore it
Where I found you and your mine
And your mine
And your mine

Feels so good these days
Where happiness can be
Glad i found you and your mine
We'll be fine i'm sure
If we can just ignore it
Where I found you and your mine
And your mine
And your mine
