

# Loopholes

CYNE

I slapbox with devils and speak to Gods,  
Asking them questions like 'do I need a job?'  
Cuz a nigga got stressful time 9 to 5  
I weather the migraine just to survive  
got a chip on my shoulder for real  
and you can tell when, this nigga smile with a smirk cuz it's hell sent  
Feeling I'm doing work for the devil, because I've got a bad back  
but the wrath of a rebel see  
Every day is like an episode, I replay it, I dig life like a retro DJ  
Try to stay on top of things  
so the raw uncut shit is what I sing  
Believe it or not, I'm feed off of experience  
Experience is this, and it's bliss because you're hearing it  
Believe it or not, I'm feeding off experience  
Experience is this, and it's bliss because you're hearing it  
I wanna find a loophole in the sky so I could
