

Fat cat

D.O.A.

Fat cat - They want it all
Fat cat - They got no class
Fat cat - They rip us off
Need a kick in the ass
Fat cat - They got no conscience
Fat cat - They never work
Fat cat - What a bunch of jerks
Drive me berserk
That's right!

Fat cat got lots of friends
Senators on the scam
They life off the fat of the land
Sucking off all the cash they can
Fat cat like politicians
And payoffs that are discreet
They like funds in a slush
From the World Bank to Wall Street

Fat cat - They want it all
Fat cat - They got no class
Fat cat - They rip us off
Need a kick in the ass
Fat cat - They got no conscience
Fat cat - They never work
Fat cat - What a bunch of jerks
Drive me berserk
That's right!

Fat cats always get a break
They walk on Earth like they're heaven sent
Pay no taxes, got a clean slate
It's easy when you own the government
Fat cat always pays off the scandals
They always get off without a hitch
I heard "It's only religion
That stops the poor from murdering the rich"

Fat cat - They want it all
Fat cat - They got no class
Fat cat - They rip us off
Need a kick in the ass
Fat cat - They've got no conscience
Fat cat - They never work
Fat cat - What a bunch of jerks
Drive me berserk
