

## My Fate To Hate

D.R.I.

It's m fate to hate  
I realized but way too late  
It's my fate to hate  
Now I have a reason why  
It's my fat to hate - You!

Is fate a lasting emotion?  
If so I sure am blind  
A misdirected maniac  
A misdirected mind - No!  
It's my fate to hate - You!

Now I don't need a reason why  
Don't need a reason why  
A reason why... a reason why
