

# You

D.R.I.

Today I want to be with you for the rest of my life  
Tomorrow I may never want to see you again  
That's how it goes, people change  
But you know that I don't have to tell you

I think about you all the time  
I think about you all the time  
I never wanted this, I was having fun  
Before I met you, falling for anyone

Was not on my agenda, but it still happened, now  
I think about you all the time  
I think about you all the time  
I don't have to tell you, you know that  
I think about you all the time  
I think about you all the time

Tomorrow - before I met you  
Falling - not on my agenda  
People change - it still happened  
Thinking about you for the rest of my life
