

Wonder Where You Are

Da Buzz

(heee eh heee heee)
(wonder were you are)

I see you go out again
to escape from the pain
shouldnt left you alone (no)
baby listen to me
i cant help how i feel
theres an end of my love

you can run you can cry
but look deep in my eyes
our love must be through
i think im loosing it all
i dont want you to fall
so take my hand
and tell me were you are

I need to know
i wonder were you are
i need to know
i wonder were you are
i need to find the love i once had for you
i wonder were you are

You went away from it all
couldnt take it no more
i fear you are gone
would like to see you again
say i never walk away
but i know its to late
(and i know its to late)

you can run you can cry
but look deep in my eyes
our love must be through
i think im loosing it all
i dont want you to fall
so take my hand
and tell me were you are

I need to know
i wonder were you are
i need to know
i wonder were you are
i need to find the love i once had for you
i wonder were you are

(wonder were you are)

Maybe you'r walking in my dreams
maybe i just wanna hold you
i need to find the love i once had for you

i wonder were you are
i wanna know were you are
i need to find the love i once had for you

i wonder were you are

I need to know

i wonder were you are

i need to know

i wonder were you are

i need to find the love i once had for you

i wonder were you are

I need to know

(i really need to know who you are)

i wonder were you are

i need to know

i wonder were you are

i need to find the love i once had for you (i need you love)

i wonder were you are
