

In the beginning there was sound and sound had a groove
And from this groove came the groove of all grooves
And one day it was boldly declared
"Let there be Dada!"
And Dada Life was born
We are all, you see, the creators
And this is our land
And in our land there is only happy face music
And you see, happy face music is a universal language spoken and understood by own
You see, happy face music is a feeling that no one can understand really
Unless you're living the dada life
Dada is the uncontrollable desire to rage with happiness
And as we told you before
This is our land, and this is our music
Now some of you may wonder
"Who is Dada and what does it this Dada does?"
Dada is the one who can bring nations together under one roof
In one place: our place, our home
We are all citizens
It doesn't matter who you are
It don't make a difference in our land
And this is Dada land
Dada land, Dada land, Dada land, Dada land...

And this is Dada land!
