The Game of Love

There is a game of love There is a game of love This is a game of love This is a game of love And it was you And it was you the one that would be breaking my heart When you decided to walk away When you decided to walk away The one that would be breaking my heart When you decided to walk away When you decided to walk away

There is a game of love There is a game of love This is a game of love This is a game of love And it was you And it was you the one that would be breaking my heart When you decided to walk away When I wanted you to stay

And it was you I just wanted you to stay Me, I just wanted you to stay Me, I just wanted you to stay
