

Wig Out At Denko's

Dag Nasty

this morning
what shadow
would knock on my window
I might see it later
can't deal with this flavor
it's there for
the taking
but my heart's just not in it
just sleeping
is touching
it's better
than nothing
let me know if you go there
Marks's having a hard time on orange and sunshine
hal's spilling malt liquor on his minor threat sticker
I'm taking no chances
no troubles
no acid
let's wig out at denko's
on coke and doritos
the tv is so loud but it's not outside
the stereo is too loud so take it outside
let's wig out at denko's someone let yanni drive
